

SPOTLIGHT

Eating Healthy Every Day!

Zulima
CLAUSELL

This month, we are proud to shine the spotlight on Mrs. Zulima Clausell from Glades Middle School. Mrs. Clausell has been a dedicated member of the Department of Food & Nutrition for over 10 years.

Mrs. Clausell began her journey as a general worker and through hard work and determination, advanced to the role of manager—all while raising her two sons, whom she proudly celebrates for their success in their respective careers. She started at Kinloch Park Middle in 2012, and by 2015, she had entered Manager's Training. After successfully completing the program, she supported several schools, including Linda Lentin K-8, North Miami Middle, and Westland Hialeah Senior High, before being selected as the manager at Glades Middle School.

Zulima truly takes pride in her work, and it shows. Her cafeteria is exceptionally well organized, ensuring that daily operations run smoothly and efficiently. She has built an outstanding team and fostered a positive, collaborative environment that makes it a pleasure to see them in action. The serving lines consistently feature a wide variety of entrée options and a vibrant, colorful selection of fresh fruits ready for students to enjoy.

What stands out most is the team's warm interaction with students. From friendly greetings to genuine conversations, they create a welcoming atmosphere and build meaningful rapport with each student they serve.

On behalf of the Department of Food & Nutrition, we extend our heartfelt thanks to Mrs. Zulima Clausell and her entire team for their excellence, dedication, and unwavering commitment to providing healthy, nutritious meals to M-DCPS students each day.

We look forward to many more years of continued success and positive impact!

Eating Healthy Every Day!

**WELL
DONE**
