## PURPOSE

The purpose of this procedure is to provide technical information to properly administer the various After School Meals/Snacks Programs offered by Miami-Dade County Public Schools Department of Food and Nutrition.

## PROCEDURE

After School Meals and Snack Types:

- After School Meals (Reimbursable Using Rosters)
- After School Meals (Reimbursable Using POS)
- Snack (Non-Reimbursable)

### A. After School Meals (Reimbursable Using Rosters)

1. The menu is scheduled and can be found at [nutrition.dadeschools.net](http://nutrition.dadeschools.net). If you are unable to serve the scheduled menu, you must make a substitution. Please ensure the menu you serve contains all the components below:
  - a. 2 oz. meat/meat alternate
  - b. 1 bread serving
  - c. 1 fruit (1/4 cup minimum) \*
  - d. 1 vegetable (1/2 cup)
  - e. 1 milk (8 ounces)

\* A fruit may be substituted with a different vegetable. Two fruits CANNOT be served.

### 2. Request for After School Meals/Snacks form [FM-3932](#):

- a. Every Friday, the after-school care manager should submit the signed Request for After School Meals/Snacks form which indicates the approximate number of meals requested for the following week.
- b. The food service manager/satellite assistant must maintain a copy on file, and the after-school care manager must maintain the original.
- c. Every day prior to 1:00 PM, the after-school care manager will notify the food service manager/satellite assistant of the exact number of meals needed for that day. The food service manager/satellite assistant will adjust the number of meals accordingly.

3. Verification of Meals/Snacks Ordered, Received and Served form [FM-0943](#):

- a. On a daily basis upon receipt of the meals, the after-school care manager/designee must verify that the number of meals received is equal to the number of meals ordered. He/She must then record the number of meals received in the "Quantity Received" column. He/She must submit the signed Verification of Meals/Snacks Ordered, Received and Served form to the food service manager/satellite assistant.
- b. The food service manager/satellite assistant must maintain a copy on file, and the after-school care manager must maintain the original.

4. Proper Distribution of Meals:

- a. Each student must be served ALL meal components of the scheduled menu as a unit. All meals must be served in an organized manner:
  - i. Students may line up to receive the meal **OR**
  - ii. Meals can be served from the cart(s) to each student at their table.
- b. Activity leaders are to utilize the After School Meals/Snacks Roster [FM-6118](#) to account for the meals. This form must be completed daily the "A" column (Attendance) and "S" column (Meals/Snacks) must be recorded manually, not electronically. The following instructions appear on this form:
  - i. Student attendance is to be noted in the "A" column with an "X" for present or an "A" for absent.
  - ii. As the student receives the meal, the student's name is marked off in the "S" column with a "1" if meal was received, or a "0" if a meal was not received.
- c. The person distributing the meals must be sure that the student receiving the meal is being marked on the roster as they receive the meal.
- d. When a hot item is to be served as part of the after school meal (e.g. grilled cheese, chicken patty sandwich):
  - i. Place hot item in individually wrapped foil bags.
  - ii. Place wrapped hot items in a conveyor, or stadium bag for activity leaders/after school care manager to pick up.
  - iii. The activity leaders are to serve the hot item along with the remaining cold items at the same time.

- e. After school care staff is responsible for both the distribution of meals and the clean-up of the area where the meals are served.
  - f. On a daily basis, after all students have been served their meal, the activity leaders must add up the totals from the roster and record these totals in sections E, A, & S in the bottom section. A completed and signed copy of the After School Meals/Snacks Roster must be submitted to the food service manager prior to leaving that day.  
  
**Note:** Any revisions made by the after-school care program must be communicated to the food service manager/satellite assistant. Any changes must appear on the revised Verification of Meals/Snacks Ordered, Received and Served form [FM-0943](#) and After school Meals/Snacks Roster as applicable and must be submitted to the food service manager/satellite assistant.
  - g. The following day upon receipt of the After School Meals/Snacks Roster the manager/satellite assistant will verify the number of meals served and leftover. The manager/satellite assistant must count the number of meals served to each student (number of "1" s) and check totals recorded in sections E, A, & S. The number of leftover meals is determined by subtracting the number of meals served from the number of meals received by the program. The manager/satellite assistant must sign on the "Verified By" line.
  - h. The manager/satellite assistant must record the counts on the Verification of Meals/Snacks Ordered, Received and Served form.
  - i. The food service manager/satellite assistant and after school care manager must maintain their copies on file.
  - j. The food service manager/satellite assistant will not accept the return of meals not served. The after-school care program will be charged for all meals not served (leftovers) once they have been provided to the program.
5. Every morning after breakfast service, the food service manager/satellite assistant will enter the after school meal counts in the POS using the counts from the Verification of Meals/Snacks Ordered, Receive and Served form:
