

**Miami-Dade County Public Schools
Department of Food and Nutrition
Outgoing Controlled Equipment Form (FM-1670)**

Disposal of Property from a School Site to Richards Warehouse:

- The originating location food service manager/satellite assistant or designee completes.
- Section A, B, C, D1 and D2 on the Outgoing Controlled Equipment (OCE) form.
 - A: Check off box #2 (do not complete Location #).
 - B: Complete school location #, school name, and date.
 - C: Complete Property Control Number (PC#) and/or serial number or the word “none” if either are not available and description of the equipment. If the PC# or serial number is not available, as much detail as possible about the equipment should be noted.
 - D1: Check off Reason for Requesting Removal depending on the status of the equipment.
 - D2: Originator’s signature and employee number and administrator/designee’s signature and employee number are required.
- Section E should be completed by the Maintenance inspector/technician if replacement is required.
- Section F1 is completed by the vendor when the equipment is picked up.
- The vendor will verify PC#(s), equipment, and description is correct before signing the OCE form and will leave the yellow copy (#3) and blue copy (#4) with the food service manager/satellite assistant or designee.
- Section F2 Once is completed by Richards’ Warehouse personnel once the equipment is delivered. Richards’ Warehouse personnel keep the pink copy (#2) and forward the green copy (#1) to Property Accounting.

See sample of completed OCE form ([Attachment A](#)).
