Reminders:

- Hood Systems are professionally cleaned once a year by the vendor. Check the hoods service decals before calling.
 - Food and Nutrition automatically schedules all sites for service on a once-a-year rotation.
 - Hood cleanings are required by the state of Florida to be completed once per year.
- Monitor cleaning supply inventory and follow instructions from SFSPac (Sanitation).
- Site administrators are responsible for keeping gas tanks filled to operate the kitchen equipment.
- Maintenance department is responsible for inspecting and filling all fire suppression systems and tanks.
- Smallware supplies are requested and ordered through your Region Food Service Supervisor.
- Health Department Permits will be distributed throughout the month of October 2023.
