

LOUANN GLIDDEN

THANK YOU FOR 27 YEARS OF SERVICE!

Miami-Dade County Public Schools
Department of Food & Nutrition

I would like to take this opportunity to say thank you for 27 wonderful years of working with all of you at the Department of Food & Nutrition and with the managers, satellite assistants, assistant managers, and staff out at the school sites.

I started my journey with Food & Nutrition in 1997 as a part-timer in Food & Menu Management. I was hired in my first full-time position in June 1998, also in Food & Menu Management. In 2001, I became a Region Food Service Supervisor, and then, in 2020, I became the Director of Operations.

I have had the pleasure of working with all of you in many different capacities over the years. I am very appreciative of the warm welcome I was always given as I visited school sites, and I value the camaraderie shared amongst the different teams of schools I once supervised, my coworkers, and everyone at the Department of Food & Nutrition.

I have been blessed to work under exceptional leaders that enabled me and the Department to flourish. I leave with confidence knowing the Department and those working there will continue to thrive under the leadership of Ms. Kasselakis and with the support of all the amazing individuals who work to keep it going every day.

We have worked hard together and have shared many good times!
I hope to be able to continue to share in the good times, but now that
I am retiring, without the hard work – lol!

I am very excited to be retiring but at the same time I feel nostalgic
about closing this chapter of my life.

I am thankful for your love and support over the last 27 years and will
miss each one of you.

I wish you all many blessings!

Sincerely,
Louann
