

**Ninoska
Gonzalez**

Ninoska Gonzalez started her career with Miami-Dade County Public Schools' (M-DCPS) Department of Food and Nutrition in 2002 as a part-time general worker at Miami Beach Senior High School. She later transferred to Miami Senior High School where she worked at for one year and then to Maya Angelou Elementary for 4 years. In 2018, she became the Satellite Assistant at Young Men's Preparatory Academy and has remained there. Thus far, she has devoted 22 years of service to M-DCPS' Department of Food and Nutrition.

Ninoska is highly regarded by her school administration and staff. Her Supervisor, Kevin Leto, says “She is an excellent manager, whom I can always count on in any situation at hand. She works hard day-in and day-out to make sure the students are always receiving quality meals with plenty of variety. Having only one staff member in her small kitchen, she takes it upon herself to not only prepare, but serve a hot breakfast by herself each morning. The food is always appetizing and beautifully arranged on the serving line.”

Her Principal, Mr. Pierre Edouard, says “Ms. Gonzalez is a very hard worker and is dependable.”

Her employee says “She is a great manager who is always very considerate of others. Whenever I’m feeling under the weather, she always calls to check on me to make sure I’m okay”.

When Ninoska was asked what she likes most about her job, she said “I love working for the students and ensuring they receive the proper nourishment”. She also has kids of her own in M-DCPS, so the job fits perfectly with her schedule. A job that provides satisfaction and allows a healthy balance of work and family is a win, win!

The Department of Food and Nutrition would like to recognize and thank Ms. Gonzalez for her 22 years of commitment and dedication to the Department of Food and Nutrition.

“I love working for the students and ensuring they receive the proper nourishment”.

“A leader goes the way, is one who knows the way, and shows the way.”

John C. Maxwell
